New Vision Metal Construction Industry LLC

- We have capability to fabricate using carbon steel , stainless steel & alloy steel
- An extensive array of metal fabrication facility
- **Fuel Storage Tanks, Thermal Water Storage Tanks, Fire Water Tanks, Chemical & Gas Storage Tanks, Food Storage Silos, GRP Moulds, Alloy Steel Pressure Vessels, Kettles & Lubricant Plants, Oil & Gas Specialty Equipment's,**
- **Structural Steel Products, Building Complexes, Desalination Plants, Overhead Gantries, Sign Boards etc.**

New Vision Metal Construction Industry LLC

Middle East Road Marking/ Road Signage-Asphalt Rehabilitation

- Our specialty includes hot thermoplastic machine marking for roads and highways, hot thermos plastic hand marking, cold road marking for airport and parking lots, removing existing marking by sandblasting, Road stud fixing & Kerb stone painting with spraying machines.
- Combined with our expertise in manufacturing state-of-the-art vehicle restraint solutions, we install and enhance engineered guard rail and rope rail systems.
- Our emphasis lies on the salient attributes of our traffic signs to ensure proper visibility, durability and finish.
- Asphalt Rehabilitation (Plug Joints & Crack Sealing) – (Remove Asphaltic Markings & Cleaning Surface)

Middle East Road Marking/ Road Signage-Asphalt Rehabilitation

Revive Middle East Paint & Metal Sheets Industry LLC

- **Manufacturing Traffic Sign Products**
- Traffic Road Sign Products, Safety signs, Highway, Pedestrian Crossing, Regulatory, Speed Limit, Parking, Construction Signs
- **Manufacturing Road Marking Paints**
- REVIVE® road marking paints are available in 6 standard colours -white, yellow, red, black, blue & green.
- REVIVE® road marking paints can also manufactured to any RAL colour upon demand.

Gulf Star Great SportsTech(JV)

TarkettSPORTS HYBRID GRASS SOLUTIONS

Leicester City FC, U.K.

"GrassMaster offers a softer feel than a traditional artificial surface, as well as a lower incidence of injuries related to burns and impact, whilst maintaining the longevity."

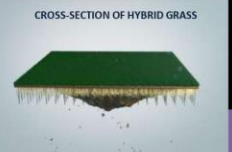

-Andy Jackson, Head- Grounds man, Stoke City FC

"As a department we were challenged to provide an elite level playing surface within a very short time frame. After careful research and visiting the turf farm, I decided that PlayMaster was the best choice for OH Leuven."

-John Ledwidge, Ground Manager, Leicester City FC

Pacific Seating RETRACTABLE SEATING SOLUTION

College Sports Centre, Australia

Pacific Seating is experienced in supplying and maintaining seating systems across the world.

Their Glide System is designed, engineered, and certified to current CE and other international standards such as the British Standards and Australian Standard.

Pacific seating video

DUOL AIR SUPPORTED STRUCTURE

Air Dome

"The state of the art air dome is typical of the facilities you would usually see at elite training grounds across Europe and we're delighted that the Welsh Government has supported us to bring something of this standard to Cardiff."

- Mark Roberts, CEO, Cardiff City FC

terraplasplc TURF PROTECTION SYSTEM

World's No. 1 for Turf Protection

Dubai Sports City, UAE

"As we tried to solve the challenges of not only offering the world's best soccer pitch surface but the economics of needing increased stadium event activity and multi-day concerts, Terraplas was the answer we needed. It has been great since those innovative beginnings in '91 to advise others the advantages of the practical and cost benefits in using the system and to watch Terraplas expand and become the world-leader."

- Roger Edwards, Wembley National Stadium, former Sales & Events Director

FieldTurf
A Tarkett Sports Company

SYNTHETIC TURF FOR LANDSCAPE & SPORTS

FC Madras, Tamil Nadu

"The entire project (Football Field) was executed professionally. Your technicians showed great expertise in designing and constructing the sub-base and then the installation of the FieldTurf itself with sophisticated equipment. We commend Great Sports Infra for a wonderful job and look forward to your continued support."

- Mr. Zodintluanga,
Hon'ble Minister for Sports & Youth Services, Govt. of Mizoram

CROSS-SECTION OF FIELDTURF

Fibre
High-quality fibre is used to ensure maximum durability and a soft, cushioned surface for athletes.

Infill
Soft, non-toxic infill is used to provide a cushioned surface for athletes. The infill is made of a combination of organic and synthetic materials to ensure it is safe for the environment and provides excellent drainage.

Backing
The backing is made of a combination of organic and synthetic materials to ensure it is safe for the environment and provides excellent drainage.

THE ULTIMATE SURFACE EXPERIENCE

DUBAI ELECTRICITY AND WATER AUTHORITY
PROJECT AND ENGINEERING DEPARTMENT

Attn: Mr. Ahmed Saif Al Falasi Acting Senior Manager - Projects Water (Transmission)
Contract: RFX#31 Section- A (contract No. 4372200001)
Project : Contract 4372200001, Supply, Installation, Testing & Commissioning of Glass Reinforced Epoxy Water Transmission Pipelines and Associated works at various locations in the Emirates of Dubai # Section A [RFX-2132100031]
Contractor: Green Oasis General Contracting LLC
Consultant: Aqleh Engineering Consultant (AEC)
Sub-contractor submittal No. 13 dated: 10 NOV 2022
REVISION : 00
Subject: Request Approval for Alternative trench shoring Pre-qualification M/s Gulf Star Contracting Co LLC

Consultant's Comments:
Alternative shoring subcontractor submitted , as per DEWA previous comment, and to expedite NDRC works.trench shoring works.
We have reviewed subcontractor prequalification, and no objection for approval subjected to DEWA review and full compliance with below comments :
1- Satisfactory performance a site.
2-Full compliance with RTA NOC terms and conditions.
3-Quilified supervision/ Approved RTA safety office to be available at site .
4- DEWA QHSE to be implemented at site.
